Institution	Rank	Expenditures (mil)
New Mexico Institute of Mining & Technology	1	\$79.5
San Jose State University	2	\$38.5
CUNY – City College	3	\$34.5
University of Texas – San Antonio	4	\$33.1
CUNY – Hunter College	5	\$30.4
SIUE	6	\$30.3
University of Southern Alabama	7	\$28.5

**Regional, national, international
recognition for scholarship and
graduates**

Success of graduates
In industry and academia
Presenting work at workshops and conferences
Engaging outreach activities in K-12
Supporting and promoting of scholarship
Engaging in service to the scholarly community

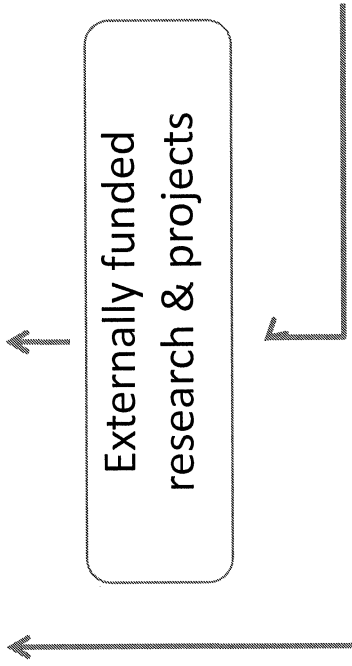

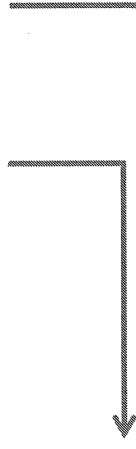

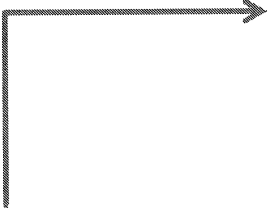

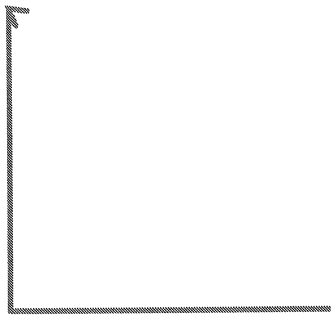

**Enhanced graduate
experience
&
Quality graduates**

**Recruitment of quality students
Recruitment of committed, quality faculty
Multi-institutional collaborations**

**Externally funded
research & projects**

**Innovative, high quality
graduate programs**

Capacity for scholarship

Scholarship Support

- New internal grant programs
 - Revise and resubmit
 - Multidisciplinary/Multi-institutional initiatives
- Programs to support service to the scholarly community
 - Support to attract conferences/workshops
 - Support for senior-level editors of scholarly journals
- Support for research centers
 - Formula for ICR distribution with research centers

Recognition

- Intellectual Property Policies
 - Support for patents and copy rights
 - Review committee for patent applications
 - Increase awareness of IP policies and rights
- Travel support programs
 - Increase in travel support for students in the professional programs
 - Reduce barriers for Graduate School support for faculty travel

Quality Programs

- Electronic thesis checks and submissions
 - Turn-it In
- Graduate policy for doctoral programs
 - DNP, EDD
- Administrative structure for multi-disciplinary programs
 - Health-Care Informatics
