SIUE To Graduate Nearly 630 During Summer Commencement

(EDWARDSVILLE, Ill.) Nearly 630 students are expected to graduate from Southern Illinois University Edwardsville during summer commencement at 10 a.m. Saturday, Aug. 6, in SIUE's Vadalabene Center.

Eligible graduate candidates from the College of Arts and Sciences and the Schools of Business, Education, Engineering and Nursing will receive diplomas at the morning ceremony.

Shelby Steele, a research fellow at the Hoover Institution—who is internationally known for his studies in race relations, multiculturalism, and affirmative action—is this year's recipient of the SIUE Distinguished Alumnus Award. SIUE's 2005 Great Teacher Award also will be given to David Kauzlarich, associate professor of Sociology and Criminal Justice Studies. Both awards are sponsored by the SIUE Alumni Association.

The Distinguished Alumnus Award, established in 1974, is given annually by the SIUE Alumni Association to honor SIUE graduates who have achieved distinction in a chosen field and who also have served the university. The Great Teacher is chosen annually through a vote of alumni.

The names of the graduate candidates from Illinois and Missouri, and their degrees, are first on the following list, and then alphabetically from other states and other countries. Students graduating with special honors are indicated as follows: * = Cum Laude, ** = Magna Cum Laude, *** = Summa Cum Laude, + = Dean's College, ++ = Chancellor's Scholars
