## **SIUE To Graduate Some 965 During Fall Commencement Dec. 17**

(EDWARDSVILLE, Ill.) Some 965 students are eligible to graduate from Southern Illinois University Edwardsville during fall commencement ceremonies at 9 a.m. and 1 p.m. Saturday, Dec. 17, in SIUE's Vadalabene Center.

Eligible candidates from the SIUE Graduate School and the Schools of Business, Education and Nursing will march at the 9 a.m. ceremony, while candidates from the College of Arts and Sciences (CAS), as well as the Graduate School and the School of Engineering, will receive diplomas at the 1 p.m. ceremony.

Jason Stacy, assistant professor of historical studies in the SIUE College of Arts and Sciences, will be the commencement speaker at both ceremonies. Earlier this year, Stacy won the SIUE 2011 Teaching Excellence Award, the most prestigious award a member of the faculty can win from the University.

Stacy earned a bachelor of science and a master's, both in history and both at SIU Carbondale, in 1992 and 1994, respectively. He also received a master of library science in 2001 at the University of Chicago and a doctorate in history from Loyola University in Chicago five years later.

An author and editor, Stacy has published several peer-reviewed articles, and juried conference papers among other scholarly publications and is a member of professional societies, including the American Historical Association, the Illinois Council for the Social Studies, the History Society of Teaching and Learning, the Organization of American Historians and the Phi Alpha Theta History Honors Society.

The names of graduate candidates from Illinois and Missouri, and their degrees, are first, and then alphabetically from other states. Students graduating with special honors are indicated as follows:

\* = Cum Laude, \*\* = Magna Cum Laude, \*\*\* = Summa Cum Laude, † = Meridian Scholars:
