SIUE To Graduate Some 540 During Summer Commencement

(EDWARDSVILLE, Ill.) Some 540 students are expected to graduate from Southern Illinois University Edwardsville during summer commencement ceremonies at 10 a.m. Saturday, Aug. 6, in SIUE's Vadalabene Center.

The eligible graduate candidates are from the College of Arts and Sciences, as well as the Schools of Business, Education, Engineering, Nursing and Pharmacy.

Brad Noble, an associate professor of electrical and computer engineering at SIUE, will be awarded the Great Teacher of the Year Award for 2011 at the ceremony. Noble also will give the commencement address.

The award is sponsored annually by the SIUE Office of Alumni Affairs; SIUE alumni nominate candidates for the award by mail or through the association's website (www.siu.edu/alumni) and then the association's Activities Awards Committee chooses from among the nominations.

The names of the graduate candidates from Illinois and Missouri, and their degrees, are first on the following list, and then alphabetically from other states. Students graduating with special honors are indicated as follows: * = Cum Laude, ** = Magna Cum Laude, *** = Summa Cum Laude; † = Honors Scholar:

SIUE Vision Statement

Southern Illinois University Edwardsville, as a premier Metropolitan University, will be recognized nationally for the excellence of its programs and development of professional and community leaders.
